

## COUPE DE MONTRÉAL 2018 / CHAMPIONNAT DU QUÉBEC 2018

### EVENT BULLETIN # 1 – Round # 1 on MAY 6<sup>th</sup> 2018

---

Mirabel, May 2<sup>th</sup>, 2018

#### 1. TIRES FOR DD2, DD2 MASTERS, SHIFTERS & SHIFTER MASTERS CLASSES

We have been informed that the order for MAXOne purple tires used by the DD2, DD2 Masters, Shifter and Shifter Masters classes did not leave the manufacture on the planned schedule and will arrive in Montreal at the best on Saturday May 5th. This means the MAXOne Purple tires will not be available for the event this weekend.

The replacement tires for these classes will be the MAXOne Blue.

#### 2. Modification of the Schedule included the Supplementary regulation

Opening of registration on Sunday morning appears on the schedule at 7h15 but the closing time of the registration is missing. The Event supplementary regulation has been corrected to precise that registration will be open on Sunday May 6<sup>th</sup> from 7h15 to 8h.

Also, on the French version of the Supplementary regulation, the schedule had a format problem due to the conversion from Word to PDF. This has been fixed.

The corrected Supplementary regulation is available on the Series' website at [www.coupedemontreal.com](http://www.coupedemontreal.com)

Patrick Moreau, coordinator of the Coupe de Montréal
